Every law student knows how to read it...

Midyear 2015

WELCOME TO THE FINE PRINT

Hello everyone and welcome to Trimester 2! I hope Trimester 1 didn't punish you too hard and we're now all able to stand up brave against the front of a brand new Trimester. This is the first newsletter of the year and it will bring you all the information about what we've been up to and have up our sleeves for Trimester 2.

Our big publications effort of the year so far was the First Year Guide – we sincerely hope that all of the information included was able to help at least one of you out there! It demonstrates exactly what the LSS is here for – to help YOU!

Remember that the LSS Office (in the Law School, just down from the JN Lewis Seminar Room) is open to everyone to come and relax and make a free cup of tea, coffee or hot chocolate!

In exciting news, we have NEW t-shirts for \$20 each available in men's and women's short-sleeved V-neck. They are available to purchase from the LSS Office in EBL and very shortly on our website!

Annual Cocktail Party

The LSS' Annual Cocktail Party was held on the 7th May at the red grapevine restaurant and bar. Students, law staff and members of the Armidale legal community were able to come together for a fun night of delicious food and drinks and excellent company.

Thank you to everyone who came along and made the night so much fun. Thanks also to the red grapevine, once again they provided delectable food and drinks and fantastic service.

A special thanks goes to Local Magistrate Karen Stafford for being our guest speaker.

More photos of the night can be found on our Facebook page.

The Hon. Michael Kirby Public Lecture

Like usual, UNE is always very excited and honoured to host Former High Court Justice Michael Kirby. On the 14th May 2015, Kirby gave a lecture titled 'Whatever Happened to the AIDS Epidemic?', which was both very interesting and a fantastic break from the usual grind of lectures and tutorials. Kirby was kind enough to meet with students in the Law Library for afternoon tea after his lecture. We are always grateful to Kirby for taking the time to talk to us on a personal level about student life and remind us that even High Court justices are human!
